Boston Museum of Science Overnight Trip

The Sedgwick Children's Committee is funding a school trip on March 25 and 26 to the Boston Museum of Science. The trip is for students in grades 3-7 but is limited to 40 students. This is a real opportunity for kids to spend the night in a first class museum. Since space will be limited, it is important to pay attention to this newsletter for more information.

Cards for Sale

We still have a few sets of cards left that depict some lovely scenes of Walker Pond. They are for sale in the library. The cards sell for \$15.00 (\$5.00 of which goes to the library).
