Welcome Back

After a snowy start to the new year it's good to have everyone back to school.

PTF Meeting

The much awaited second **PTF meeting** has been scheduled for **January 28** at 6:00 p.m. On the agenda for the meeting are movie nights, spirit sale results, planning for spring events, and other items. It is possible to arrange for child care, but we need to know in advance.

Gym Use

For the sake of the principal's very limited sanity and the safe and orderly operation of the gym, please use the gym only when you have signed up for it. Please do not use the gym unless you have cleared the time with Dr. Buckingham or Mrs. Grindle. If you have been issued a gym key, please use it only for the purpose for which it was issued and do not loan it to others. Do not just 'drop in' to use the gym.

If you want to use the gym, please call the school in advance to make arrangements. If you wait and call the principal at home over the weekend or in the evening, you're taking the chance he won't be available to let you in.

Parent/Teacher Conferences

Please make sure that you schedule a parent/teacher conference with your child's teacher. These mid-year conferences are important times to take a look at where your child stands academically and socially.

Towels Needed

If you have towels that you no longer use, could you donate them to the school? Drop them off at the school office.

B Basketball Tournament

Sedgwick Elementary will host a tournament for B basketball players on January 30. The tournament will be a round robin with 10 minute running time games and five minutes between games. Every school's boys' and girls' teams will play every other school's. Mark your calendars for this fun event.

Dress for Cold Weather

Please remember that we go outside for recess every day that the temperature or windchill is above zero. All children need to be properly dressed. Children in grades K-4 must have snow pants, boot, coats, hats and mittens (if they wish to play in the snow). Older students are not required to have snow pants or boots, but they have been informed that if they get wet, they will not be allowed to call home.
