Craft Fair Coming

The third annual Holiday Craft Fair will be held on Saturday, November 20, 2010 from 8:30 a.m. to 2:00 p.m. in the school gym. Applications for table rentals are available in the school office. If anyone has an item to donate to the "Silent Auction", please let Mrs. Grindle know as we want to compile a list for our website. All proceeds from table rentals, silent auction items, raffles, food concessions, and students' tables are going towards the computer technology program.

Important Parent Survey

An important survey for parents was sent home two weeks ago. These surveys will give us important feedback about where we can improve as a school. If you have not done so already, **please fill out the survey and return it to the school as soon as you can.** The surveys are anonymous. We are not keeping track of who returns them.

Good Food Project's Contest

If you would like a chance to win 16 weeks of free, locally grown vegetables, just fill out the slip sent home in your child's communicator and send it back to the school. The drawing will take place June 10th. An informational flyer has also been sent home. For additional information, contact Hadley Friedman at 374-3257
