INSULATING WINDOW INSERTS

WindowDresser inserts can help!

New England
Grassroots
Environment Fund

Window inserts are low-cost light weight frames custom made to fit on the inside of your home's windows. They are covered on both sides with a strong plastic film for insulation & air leak sealing. They are reusable for many years and, with your help, are built locally during September.

For more information and to sign up
for inserts go to

WindowDressers.org or **Call (207)-596-3073**

If needed, some financial assistance may be available
