Dear Sedgwick Residents,

We are pleased to share that in our 127th year, thirty Sedgwick students attend GSA, benefitting from a challenging and comprehensive curriculum that prepares them for whatever path they choose after graduation. We're also proud to acknowledge that in June, five of those students will walk across the Academy steps, diploma in hand, and join the hundreds of alumni who have done the same since 1898.

For the past five years, voters in our peninsula towns have approved paying GSA supplemental tuition for students who attend GSA. This supplemental tuition helps defray the actual costs of providing the all-encompassing education that Sedgwick students want and that they need for those next steps beyond high school.

This year the Board committed to decreasing the supplemental tuition by 10% each of the following three years. The supplemental tuition for the 2026-2027 school year is \$1,530. Increased Maximum Allowable Tuition (MAT), enrollment numbers, and fundraised dollars are making this possible.

**Here are details you need to vote for the Supplemental Tuition:**

Voting on the supplemental tuition request will take place by referendum vote on Friday, March 6 from 1:00 p.m. to 6:00 p.m. at the Sedgwick Town House.

We are grateful for your support and proud to educate your students.

Sincerely,
