This is a great way to meet

School Photos

Also on **Tuesday the 15th** will be **School Photo Day**. If you plan to order a package, your child's order envelope, with payment payable to **Lifetouch**, must be turned in to school no later than Monday, September 14th.

Even if you are not purchasing a picture package, your child will have their picture taken for the class composite and the year book. So, he/she should come to school dressed and groomed for their photo.

Class Meetings

Teachers are in the process of scheduling dates for parent meetings. These meetings provide a forum to tell parents what's going on in the classroom and introduce them to material, routines, and curricula. They are very important for parents to attend. Those currently scheduled:

Grade 7 - TONIGHT @ 6 PM

Grade 5/6 - Sept. 14 @ 6 PM

Grade 3/4 - Sept. 22 @ 6 PM

Grade 8 - Meeting was postponed but will be rescheduled.

Gr. 1-4 Game Night

The ever popular game night will be held for students in grades 1-4 tomorrow (9/11) from 3:00-4:00 PM. Please make sure you are here to pick up your child promptly at 4:00 p.m. The principal gets cranky after 4 PM on Friday!

There will be another game night scheduled for older kids soon.

Campus Clean up Day

Thursday, September 17 will be Campus Clean Up Day (the raindate will be September 24). Classes will spend a large percentage of the day contributing to the upkeep of our facility. Work will be done on the fitness trail, playgrounds, gardens, black top and other areas.

Following the morning's work, we will have a cookout. Head Cook Rose Kane is planning a special barbecue lunch and would like to include local produce and herbs if anyone has extras to donate.

Local produce and herbs always make a great addition to the school lunch program and donations are always welcome!

Arrivals and Departures

Students who are dropped off in the morning should be here by 7:55 a.m. After that time, parents need to come into the building and sign them in as tardy.

The building is not open until 7:30 a.m., so students dropped off earlier cannot get in. This can be uncomfortable in cold or stormy weather.

Students picked up after school should wait until both buses have been dismissed. If you need to get your child before 3:00 PM, please come no later than 2:45 PM.

Calling Home

We want to hold older students responsible for remembering things like sports equipment, musical instruments, lunches, permission slips, etc. Please pay attention to school notices and schedules as **we will limit phone calls home.**

Painting Raffle

We still have raffle tickets for the lovely original framed oil painting of a Downeast Harbor scene by Anne Roy. The cost is \$1.00 each or six (6) for \$5.00. Proceeds will help the technology fund.

Judie Dannenberg has also recently finished an Iceland cardigan sweater jacket to be raffled. Stay tuned for additional information.

Soccer Round Robin

On Saturday, September 12 the A Soccer Team will participate in the sixth annual Night Soccer Fun-O-Rama. It will be held at Maine Maritime Academy's turf field starting at 2:00 p.m. **Parents are responsible for providing transportation to and from this event.** For questions or additional information, contact Lisa Theoharidis at 359-9893.
