

Sedgwick Elementary
WINTER CONCERT
and
Community
SING-a-LONG

Sedgwick Elementary School will add to its annual *Winter Concert* by hosting a *Community Sing-a-Long* to the program after the students perform. Come hear the students sing and then join in the *Community Sing-a-Long* featuring some old favorites. Help build our community by joining in the spirit of the season. Refreshments will be served after the concert. If you'd like to contribute a refreshment, contact Margaret Bixby@359-5002.
