

Town of Sedgwick
Septic Disposal Policy

The Town of Sedgwick will pay a rate of \$0.06 per gallon toward the documented disposal of the contents of not more than two (2) septic tanks; once per taxpayer/property owner and not to exceed 2000 gallons in any given calendar year. The total cost to the Town of Sedgwick for such disposal is not to exceed \$120.00 per taxpayer/property owner in any given calendar year.

The Town of Sedgwick will not participate in the pumping of grease traps, nor will the Town of Sedgwick pay for the pumping of any other form of waste. Those expenses shall be the responsibility of the taxpayer/property owner.

This policy will take effect on October 31, 2019 and will be reviewed on a yearly basis.

Signed and dated October 31, 2019.
