

Do you have QUESTIONS about the COVID-19 Vaccine?

If you are 70 or older, you are now eligible for a COVID-19 vaccine

You can use the **online system** or **call center** to sign up for an appointment. New appointment slots are added every Monday at 2p.m.

<https://covid.northernlighthealth.org/>

or

(207) 204-8551

If you need help signing up for an appointment at **Blue Hill Hospital**, **Maine Coast Hospital** (Ellsworth), or the **Cross Center** (Bangor), Healthy Peninsula has volunteers who can help.
Call us at 374-3257 (leave a message for Anne)

REMEMBER:

- Maine only receives a small number of vaccine doses each week for **thousands** of people who are eligible to receive them.
- There are not enough vaccines right now for everyone who wants one so it will probably take several weeks to successfully get an appointment.
- Each of the two vaccine types in use require 2 doses so you will get 2 appointments when you register for the vaccine.
- While you wait for your appointment (and after vaccination), continue to wear a mask 🤧, maintain physical distance 🖐️, and wash your hands frequently 🧼!
